

HIGHWAY PARKING

Grønu strikurnar á kortinum vísa, hvar tað ber til at parkera bilin á landsvegnum, meðan sólarmyrkingin fer fram.

The green lines on the map indicate, where it is possible to park the car during the solar eclipse.

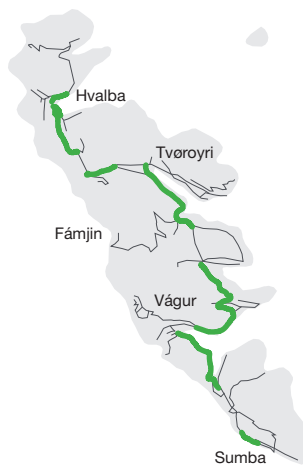

Heitt verður á bilfórarar um at parkera bilin sum víst á myndini.

Please park your car as shown here.

Heitt verður á bilfórarar um at parkera í somu síðu á landsvegnum og so uttarliga sum gjørligt. Av trygðarávum skulu vegir vera atkomuligir hjá sjúkra-, slökkiliðs- og politibilum.

If parking along the road, please notice that all cars should be parked on the same side of the road. In case of emergency the roads must be available for ambulances, the fire brigade and the police.
